Please provide any additional constructive comments

- Eric has been a stellar TA. He has been absolutely outstanding in absolutely every category possible, and if any TA's get rewarded for their performance this quarter, it should be Eric. Hands down. 10/10 Best Math TA I've ever had.

- Eric is the best TA I have had thus far at UCSD. He is engaging and always there for help. He makes you understand MATH 20A and why it is so useful.

- Eric truly cares about the students that took their time to come to discussion, even if only 1 person showed up he was not distraught. He is always prepared to help with a positive attitude. I truly do appreciate him and all the help he has given me, Best TA i've had this year hands down.

- Great TA, would recommend to anyone taking the Math 20 series.

- I really enjoyed having Eric and I thought that he was very helpful.

- Very helpful! Welcoming to any & all questions!

- Very nice TA, the discussion will be helpful if we prepare questions
