9. Do you have any other comments to add to your evaluation?

*Please keep your comments constructive and professional, abiding by the Principles of Community*

- A Nice, Hardworking TA!
- Challenge problems!!!!!!!!!!
- He is always very prepared to present proofs and calculation problems to us during discussion sections. He graded our homework more harshly than the last grader for 31AH, but that's to our benefit.
- I know that Eric is busy this quarter but I still hope that he can be available to make an appointment with.
